Discontinuation date:

WAGO ist eine eingetragene Marke der WAGO Verwaltungsgesellschaft mbH.

We have scheduled 30.04.2017 as the discontinuation date.

For you, this means that the discontinuation of the product will begin on this date. You can, in time period between the discontinuation date and the Last Call date, order these products in unlimited amounts as before. The information associated with the discontinuation date informs our customers that the process of product discontinuation has been initiated.

Last Call date:

31.12.2017 has been foreseen as last call date. The last call date is the latest order date where you can order the article without restriction. We can confirm for the last time delivery of your ordered articles as usual. After the last call date another order cannot be dealt with any more.

Last Delivery date:

31.03.2018 has been foreseen as last delivery date. The last delivery date is the last date WAGO will deliver the products to you.

Alternative solution:

As the case may be the WAGO articles may then be replaced by others or by alternatives which have to be aligned with your profile of requirements regarding functionality, geometry and characteristics. Our salesmen will be happy to advise you in the selection of alternative products.

The following products can be used as an alternative product.
