### Li/SOCL<sub>2</sub> Spiral Type Battery End-of-Life Notice

Date: Feb.28,2022

Dear valued customer,

Thank you for your support and cooperation of FANSO products over the years.

After comprehensive consideration of the company's development plan and the current market environment, we have decided to adjust some businesses and discontinue the Li/SOCL<sub>2</sub> spiral type battery in the near future. We sincerely apologize for the inconvenience that this change has brought to you.

In order to continue to provide the high-quality products and best services for you, our sales and technical will conduct in-depth technical communication with you, and try to provide the replacement solutions with better performance and more reasonable prices.

Hope we can strengthen cooperation in other batteries. Thank you for your kind understanding and continuous support.

Wuhan Fanso Technology Co.,Ltd.
