

HIGH POWER AIR DUSTER

KONTAKT
CHEMIE

Active carbon: Efficient and Neutral

The new air duster is designed for the **safe removal of dust and airborne contamination** from the most delicate and inaccessible areas of **electrical and electronic equipment**.

Completely **non-flammable**, odorless and environmentally friendly: the new DUST OFF ONE is a highly powerful, **invertible 360°** spray duster, set to revolutionize the air duster landscape. Using **Active Carbon Capture Technology (ACCT)**, this innovative duster has a **Global Warming Potential (GWP)** of nearly **zero**. Active Carbon: highly Efficient and Neutral for the environment.
