

U.I. Lapp GmbH	PRODUCT INFORMATION	
	Insulating tube ISS	19.11.2014

Insulating tube ISS made of silicone for bundling and insulating cables against heat, cold and temperature fluctuations (temperature resistance: -50 to 180°C)

Good chemical resistance

Flame-retardant

Halogen-free

Corrosion-resistant

Temperature-resistant

UV-resistant

Application range

Insulating tube

Benefits

Provides good insulation against heat, cold or temperature fluctuations

Resistant to most chemicals

Good weather and UV-resistance

Note

Not suitable for shrinking

Remark

Photographs are not to scale and do not represent detailed images of the respective products.
