

Product Change Notification

PCN No.	Quectel_PCN_2021090802	Date of Issue (DD/MM/YYYY)	08/09/2021
1. General Information			
Type of Change	Firmware upgrade		
Description of Change	For LC79D (A) module: Quectel will release upgraded firmware version (LC79DANR01A06S). This version contains a fix for the GPS week rollover problem and other bugs in the previous ones. Please refer to the release note for details.		
Reason of Change	As existing (LC79DANR01A05S) and previous firmware versions have GPS Week Rollover problem that will be triggered on 22th August, 2022 when UTC will be unavailable, this issue has been fixed in the upgraded version (LC79DANR01A06S), extending the GPS Week Rollover date to 11th August, 2035. Besides, other bugs have been fixed and overall performance has been further optimized. Therefore, Quectel will switch to LC79DANR01A06S and later versions to ensure supply chain stability and meet the market demand.		
2. Information for Affected Products and Alternative Products			
Affected Products Information		Alternative Products Information	
Model	Ordering Code	Model	Ordering Code
LC79D	LC79DAMD	LC79D	LC79DAMD
Sample Release Date: Samples for Alternative Products will be available from <u>02/09/2021</u> (DD/MM/YYYY).			
Shipment Date: The shipment of Alternative Products will start from <u>02/10/2021</u> (DD/MM/YYYY) unless Quectel receives a prior notice of refusal.			
3. Impacts of the Change			
Risk Assessment	<ol style="list-style-type: none"> The ordering code remains unchanged. The upgraded firmware version meets the requirements of quality and performance, and does not differ in function and performance. 		
Suggested Implementation Plan	Through rigorous and complete tests, Quectel confirms that Alternative Products meet the requirements of quality and performance. Please upgrade firmware to LC79DANR01A06S or later versions before August 2022 and ship modules of upgraded version directly.		
4. Customer Acknowledgement of Receipt			

Please acknowledge receipt of this change notification by replying to info_PCN@quectel.com.
If no feedback is received before the Shipment Date, then Quectel may deem that this change has been tacitly accepted and can implement the change as indicated above.
